

HP digital projectors

If your presentation looks good, you look good.

HP digital projectors are perfect for professionals who present in conference or training rooms onsite or on the road—to small audiences or large.

- Color by HP—What you see on your laptop is what you see projected on the screen—accurate in all light conditions.
- Texas Instrument's Digital Light Processing™ (DLP™) technology provides superb image quality year in and year out.
- Legendary HP reliability and total care support—24/7 support seven days a week means you get the help you need when you need it, where you need it.

Mobile projectors for the road

From small, lightweight, value priced models to deluxe executive models with wireless and network connectivity, HP's mobile line is ready to present whenever and wherever you are.

- Up to 2000 ANSI lumens of lighting power
- Super lightweight micro-portables—as light as 2.4 pounds and small enough to slip into the pocket of your carry-on.
- Advanced features like automatic keystone correction, image optimization and unique tower design to set you apart from your competition.
- Present without a wired connection via a LAN, or even without a laptop from a memory device. HP provides this flexibility for those on the go.

Versatile portable for your classroom or training room

From your home to the classroom or board room, these versatile projectors are loaded with features to keep your audience's attention.

- Up to 2000 ANSI lumens of lighting intensity for images bright enough to be effective even in rooms with the lights on.
- Versatile connections supporting multiple inputs plus VGA pass-through, RS-232 and DVI for mixed use environments.
- Image optimization enables impressive business graphics and stunning video colors from the same projector at the touch of a button.

Powerful installed models for professional environments

From large classrooms to board rooms, these powerful projectors offer features not available from anyone but HP.

- Up to 3100 ANSI lumens (3750 in greyscale) of brightness for large screens and large audiences.
- The industry's only dual color wheel technology for unmatched theater color or super bright business graphics and a black and white mode for specialty applications like medical and satellite imaging.
- Easily interfaced to all major room control suppliers and multiple lens options to work in any environment.
- IT friendly network manageability and HP presenter to go software for easy presenting from the network, wirelessly or wired, or from a memory device—as easy as it is from a VGA cable.

HP mp2210 Mobile Digital Projector

Product number: L1799A

Brightness: 1500 ANSI (max) lumens

Resolution: XGA (1024 x 768) with VGA to SXGA scaling

Image contrast: 2200:1

Lamp life (normal/economy) 3000/4000 hrs

Weight: 2.4 lb

Projected image size: 31 to 348 in

Throw distance: 5 to 46 ft

Display technology: Single-panel 0.7-in 12° DDR DMD

Scalable resolution: VGA to UXGA, Mac

Projector lens: F/2.4–2.6, optical throw, manual focus

Keystone correction: ±40°V, ±17°H

Noise level (normal/economy): 37 dBA/35dBA

Video compatibility: Full-screen NTSC/PAL/SECAM/HDTV (480i/P, 576i/P, 720p, 1080i)

Lamp source: 156-watt

Audio: None

Signal interface: Two VGA with two .5 mm stereo mini jacks; YPbPr RCA jack (component) with pair audio RCA jacks; video RCA jack (composite) with pair audio RCA jacks; S-video with pair audio RCA jacks, BNC plugs (R-G-B-H-V) with pair audio RCA jacks; wired remote in; RS-232 port; RJ-45 LAN port

Resizing of images to full screen: Automatic

Detection of computer signal input: Automatic

Image synchronization: Automatic

Remote control: Deluxe IR wireless, USB mouse, laser pointer

Mounting capability: Tripod and table top

Environmental humidity: 0 to 80% RH

Dimensions (l x w x h): 8.2 x 6.6 x 2.5 in

Warranty: 3-year express exchange

What's in the box: HP mp2210 Digital Projector, 10 ft power cord, VGA cable carrying case, wireless remote control with mouse function, cord case, USB cable, warranty card, users guide on CD, quick set-up card

HP mp3135 Digital Projector

Product number: L1797A

Brightness: 1800 ANSI (max) lumens

Resolution: 1024 x 768 True XGA

Image contrast: 2000:1 full on/full off

Lamp life (normal/economy) 2000 hrs/4000 hrs

Weight: 3.8 lb

Projected image size: 25 to 295 in

Throw distance: 3.3 to 29.4 ft

Display technology: Single-panel 0.7-in 12 in DDR DMD XGA projection system (TI DPL™)

Scalable resolution: SXGA+/SXGA/XGA/SVGA/VGA

Projector lens: Optical intelligent zoom lens with manual focus and 1.2x manual zoom (F/2.44-269, f=28.8–34.5mm)

Keystone correction: ±30°V, ±12°H

Noise level (normal/economy): 37 dBA/35dBA

Video compatibility: Full-screen NTSC/PAL/SECAM/HDTV (480i/P, 576i/P, 720p, 1080i)

Light source: 180-watt compact P-VIP projector bulb

Audio: Mono sound via 2-watt internal speaker

Signal interface: One 35-pin VESA M1-AD for analog RGB/digital/component video/HDTV/USB; 1 RCA jack for composite video input; 1 mini-DIN 4-pin for S-video input; one 3.5 mm phone jack for audio input

Resizing of images to full screen: auto-image resizing to 1024 x 768 screen

Detection of computer signal input: Automatic

Image synchronization: Automatic

Remote control: Wireless remote control with USB mouse function and laser pointer

Mounting capability: Ceiling, tripod and table top (with optional accessories)

Environmental humidity: 20 to 80% RH

Dimensions (l x w x h): 2.9 x 9 x 7.8 in

Warranty: 1-year limited hardware warranty

What's in the box: HP mp3135 digital projector; lens cap; 10-ft power cable; M1-AD to USB/VGA cable; S-video cable; component cable; audio cable; remote control; remote control battery; carry case; documentation kit, including Quick Setup Card, CD-ROM with User's Guide, Important Safety Information booklet, Worldwide Limited Warranty and Technical Support booklet, Worldwide Telephone Numbers booklet and Program License Agreement.

HP mp3135W Digital Projector

Product number: L1805A

Brightness: 1800 ANSI (max) lumens

Resolution: 1024 x 768 True XGA

Image contrast: 2,000:1 full on/full off

Lamp life (normal/economy): 2000/4000 hrs

Weight: 4.0 lb

Projected image size: 25 to 295 in

Throw distance: 3.3 to 29.4 ft

Display technology: Single-panel 0.7-in 12 in DDR DMD XGA projection system (TI DLP™)

Scalable Resolution: SXGA+/SXGA/XGA/SVGA/VGA

Projector lens: Optical intelligent zoom lens with manual focus and 1.2x manual zoom (F/2.44~269, f=28.8~34.5 mm)

Keystone correction: ±30°V, ±12°H

Noise level (normal/economy): 37 dBA/35dBA

Video compatibility: Full-screen NTSC/PAL/SECAM/HDTV (480i/P, 576i/P, 720p, 1080i)

Light source: 180-watt compact P-VIP projector bulb

Audio: Mono sound via 2-watt internal speaker

Signal interface: One 35-pin VESA M1-AD for analog RGB/digital/component video/HDTV/USB; 1 RCA jack for composite video input; 1 mini-DIN 4-pin for S-video input; one 3.5 mm phone jack for audio input

Resizing of images to full screen: auto-image resizing to 1024 x 768 screen

Detection of computer signal input: Automatic

Image synchronization: Automatic

Remote control: Wireless remote control with USB mouse function and laser pointer

Mounting capability: Ceiling, tripod and table top (with optional accessories)

Environmental humidity: 20 to 80% RH

Dimensions (l x w x h): 2.9 x 9 x 7.8 in

Warranty: 1-year limited hardware warranty

What's in the box: HP digital mp3135W projector; lens cap; 10-ft power cable; M1-AD to USB/VGA cable; S-video cable; component cable; audio cable; remote control; remote control battery; carry case; documentation kit, including Quick Setup Card, CD-ROM with User's Guide, Important Safety Information booklet, Worldwide Limited Warranty and Technical Support booklet, Worldwide Telephone Numbers booklet and Program License Agreement. (HP mp3135W digital projector includes the SAM and an 802.11b CompactFlash wireless card.)

HP mp3220 Digital Projector

Product number: L1675A

Brightness: 2000 ANSI (max) lumens

Resolution: 1024 x 768 True XGA

Image contrast: 2000:1 full on/full off

Lamp life (normal/economy): 2000 hr/3000 hrs

Weight: 3.8 lb

Projected image size: 24.4 to 292.5 in

Throw distance: 3.3 to 29.4 ft

Display technology: Single-panel 0.7 in 12° DDR DMD XGA projection system (TI DLP™)

Scalable Resolution: Native XGA/VGA/UXGA

Projector lens: F/2.4–2.65

Keystone correction: +/- 16° (32° total)

Noise level (normal/economy): 37 dBA/35dBA

Video compatibility: S-video, composite, component, HDTV (up to 1080i)

Light source: 200-watt compact P-VIP projector bulb

Audio: 1 watt, mono internal speaker

Signal interface: Computer input (VGA terminal), composite video input (RCA jack), S-video inputs (Min Din 4 pin), audio input (3.5 mm phone jack), USB input, component/HDTV via L1713A adapter cable

Resizing of images to full screen: Automatic

Detection of computer signal input: Automatic

Image synchronization: Automatic

Remote control: With power, page up/down, mouse, menu, sync, and source buttons

Mounting capability: Ceiling, tripod, and table top

Environmental humidity: 80% RH

Dimensions (l x w x h): 2.77 x 9.88 x 8.27 in

Warranty: 2-year standard unit warranty

What's in the box: HP mp3220 digital projector, 10-ft power cable, VGA cable, USB cable, remote control, remote control battery, carry case, documentation kit, including Quick Setup Card, CD-ROM with User's Guide, Important Safety Information booklet, Worldwide Limited Warranty and Technical Support booklet, Worldwide Telephone Numbers booklet, Program License Agreement

HP vp6310 series Digital Projector

**Product number:**
